Dictionary of the Future Faith Popcorn 2002-03
Our revved-up world isn't just changing faster than ever before, it's creating new words and new language at breakneck speed. Now, Faith Popcorn, the futurist and trend authority who is know as the Nostradamus of marketing--and Adam Hanft, author, business strategist and media critic--have created the first-ever Dictionary of the Future, a thought-provoking, entertaining and richly informative collection of hundreds of new, emerging and just-invented words and terms. While traditional dictionaries wait for language to achieve familiarity, Dictionary of the Future is there first, enabling readers to identify the latest trends across all dimensions of the culture. Turn its pages and you see the future taking shape, word by word, idea by idea. Organized by familiar categories such as the arts, corporate America, education, health and technology--and by provocative rubrics such as "New Behaviors" and "New Structures"--Dictionary of the Future includes newly minted language such as: Yogurt Cities: places with "active cultures" where baby boomers will retire Chimera-plasty: molecular messengers that will repair damaged genes Free-Range Children: new generation of kids raised without over-programming Dictionary of the Future is an extraordinary advance look at tomorrow. More than fascinating reading, more than a treat for anyone who loves words, it's filled with valuable insights that can change the way you think about your business, your career, your health and, oh yes, the world.

Popcorn Love Kl Hughes 2015-09-08 A prominent figure amongst New York City's fashion elite, Elena Vega is a successful

businesswoman and single mother to an adorable three-year-old son, Lucas. Her love life, however, is lacking, as those closest to her keep pointing out. At the persistent urging of her closest friend, Elena reluctantly agrees to a string of blind dates if she can find a suitable babysitter for Lucas. Enter Allison Sawyer, a free-spirited senior at New York University. Elena is intrigued by Allison's ability to push her out of her element, and the young woman's instant and easy connection with a normally shy Lucas quickly earns Allison the job. After each blind date, Elena returns home to complain to Allison about her lacking suitors. As they bond, Elena begins to realize that the person possessing all the qualities she most desires might just be the woman who has been in front of her the entire time. The vast difference between the two women's social statuses, however, may be an obstacle not easily overcome.

Tomie dePaola's The Popcorn Book (40th Anniversary Edition) Tomie dePaola

2018-10-16 Everyone loves popcorn! Newly updated with the latest research, a delicious 40th anniversary edition of a POP-ular classic. Tony likes to cook. Tiny likes to read. And both twins like to eat . . . POPCORN! So while Tiny cooks it, Tony reads about it: what popcorn is, how it's stored and prepared, legends and stories about it, and its history in Europe and North America. A favorite since its original release in 1978, The Popcorn Book has sold nearly a million copies. This fresh new edition features refreshed interiors with bolder colors, and revised text-- updated with new information and vetted for accuracy by a Native American expert. Colorful, funny, and informative, this nonfiction classic from the best-selling author-illustrator of *Quiet*, *Strega Nona*, and many more will teach you everything you need to know about this favorite snack food-- and leave you hungry for more. And because the best thing about popcorn is eating it, two great recipes for popping corn are included!

The Popcorn Pirates Alexander McCall Smith
2005 The inhabitants of the Popcorn Islands lead a peaceful and comfortable existence - that is, until pirates attack Captain Foster's ship on its way to America and steal half the popcorn harvest. So Lucy, Hermione and Sam offer to accompany the captain and his dog Biscuit on the next trip to keep a lookout for danger. But danger is exactly what they run into! Now the pirates aren't just after more popcorn ... they want new recruits too! Will three children - and one small dog - defeat the greediest gang of grub-guzzling pirates ever to sail the high seas? It's going to be an EXPLOSIVE adventure!

Why Popcorn Costs So Much at the Movies

Richard B. McKenzie 2008-04-17 This entertaining book seeks to unravel an array of pricing puzzles from the one captured in the

book's title to why so many prices end with "9" (as in \$2.99 or \$179). Along the way, the author explains how the 9/11 terrorists have, through the effects of their heinous acts on the relative prices of various modes of travel, killed more Americans since 9/11 than they killed that fateful day. He also explains how well-meaning efforts to spur the use of alternative, supposedly environmentally friendly fuels have starved millions of people around the world and given rise to the deforestation of rainforests in Malaysia and Indonesia.

[The Marion Popcorn Festival](#) Michelle Rotuno-Johnson 2014-08-26 In 1981, a small group of local business leaders put Marion, Ohio, on the path to hosting the largest popcorn festival on the planet. Founded in part to honor the achievements of Marion-based Wyandot, Incorporated, once the world's largest popcorn exporter, the Marion Popcorn Festival celebrates the city's dynamic industrial past. Free and open to the public for more than three decades, the festival attracts hundreds of thousands of fans for three days of popcorn, pageantry and fun. Drawing on the memories of founders and longtime volunteers, author Michelle Rotuno-Johnson brings us the festival from seed to snack in this all-encompassing work.

The Popcorn Princess Jacqueline McComas 2016-01-29
Penelope loves popcorn. She thinks the popcorn popper is magical. In fact, the very first word she says is popcorn. Penelope's wagon is filled with popcorn. Her fluffy mattress, pillow, and quilt are filled with popcorn. She puts popcorn in her swimming pool for splash parties. Her mother and father call her Popcorn Princess. There's popcorn everywhere. Even her dog gets lost in the popcorn. But one day, something tragic happens. The house pops apart with a popping sound that can be heard throughout the neighborhood. Penelope discovers that too much of a good thing can be a bad thing. With one surprise popcorn recipe included, this picture book for children tells a fun tale about one girl who loves light, fluffy clouds of popcorn more than anything else.

Popcorn Popping on the Apricot Tree

Georgia W. Bello 2001
Children delight in spring blossoms that resemble popcorn on a tree.

Popped Culture Andrew F. Smith 2021-11-24
The history, legends, and cookery of America's favorite snack food Whether in movie theaters or sports arenas, at fairs or theme parks, around campfires or family hearths, Americans consume more popcorn by volume than any other snack. To the world, popcorn seems as American as

baseball and apple pie. Within American food lore, popcorn holds a special place, for it was purportedly shared by Native Americans at the first Thanksgiving. In *Popped Culture*, Andrew F. Smith tests such legends against archaeological, agricultural, culinary, and social findings. While debunking many myths, he discovers a flavorful story of the curious kernel's introduction and ever-increasing consumption in North America. Unlike other culinary fads of the nineteenth century, popcorn has never lost favor with the American public. Smith gauges the reasons for its unflagging popularity: the invention of "wire over the fire" poppers, commercial promotion by shrewd producers, the fascination of children with the kernel's magical "pop," and affordability. To explain popcorn's twentieth-century success, he examines its fortuitous association with new technology—radio, movies, television, microwaves—and recounts the brand-name triumphs of American manufacturers and packagers. His familiarity with the history of the snack allows him to form expectations about popcorn's future in the United States and abroad. Smith concludes his account with more than 160 surprising historical recipes for popcorn cookery, including the intriguing use of the snack in custard, hash, ice cream, omelets, and soup.

Getting to the Core of Writing: Essential Lessons for Every Third Grade Student

Richard Gentry 2012-06-01 Inspire students to develop as writers in the third grade classroom with these engaging and creative writing lessons. This classroom-tested resource shows positive results in students' writing and simplifies the planning of writing instruction. It contains detailed information on how to establish and manage daily Writer's Workshop and includes consistent, structured instruction to encourage students to actively participate in the writing process. Specific lessons to help students develop the traits of quality writing are also included.

The Popcorn Dragon Jane Thayer 1989-08-22 You could hardly blame Dexter, ordinarily a well-behaved young dragon, for showing off when he suddenly found that he could make clouds of smoke. The temptation is irresistible, but Dexter quickly becomes insufferable. First he watches his own reflection in the river in order to admire the smoke. Then he puffs it in the faces of his friends: the zebra, the giraffe, and the elephant. He even blows smoke rings around his own tail to prove how clever he is. Soon Dexter has no friends left. He is a very lonely dragon indeed, until quite by accident he discovers a way his talent can be used to win back his playmates. This wonderful story -- first published in 1953 -- will delight both young readers and their parents, and so will Lisa McCue's appealing new pictures of this lovable show-off.

Popcorn-Eating Squirrels Go Nuts on Everest Matt Dickinson 2019-09-05 A million pounds and popcorn for life. This is the incredible prize on offer if a team can meet the challenge: to make popcorn on the very summit of Mount Everest. The squirrels have their doubts. They could end up as a snack for a snow leopard. What about

frostbitten paws? Will the friends even be able to breathe in the thin mountain air? But when little Alfie is kidnapped and held hostage by one of the Everest teams, the squirrels begin the deadly climb. Can they rescue Alfie? What if the yetis attack? And what about evil Rosalba and the thuggish honey badgers? It's the popcorn-eating squirrels' greatest adventure yet! Popcorn-Eating Squirrels Go Nuts on Everest is the sequel to Popcorn-Eating Squirrels of the World Unite! by bestselling children's author Matt Dickinson is a mountain survival epic unlike any other.

Party Popcorn Ashton Epps Swank 2014-12-02 "Seventy-five popcorn recipes for every occasion and every taste, from savory to sweet. Popcorn lovers don't have to break the bank by buying the expensive gourmet kind anymore! This cookbook includes 75 tasty popcorn recipes that are not only significantly cheaper, but also incredibly fun to make at home. Treat your friends and family to flavored popcorn beyond the average caramel or cheddar flavors you're used to getting in those tin cans. From sweet, like Turtle Brownie, Goopy S'mores, and Firecracker (which uses Pop Rocks candy) to savory, like Pepperoni Pizza, Bacon Teriyaki, and Taco Lime, the wide variety of options means there is a batch that's perfect for any occasion. For added appeal, popcorn is naturally vegan, vegetarian, gluten-free, and nut-free, making it a great alternative to sugary and fatty processed snacks. Swank's colorful and gifty book is the last word in popcorn-making"--

Doubt is Their Product David Michaels 2008-04-23 "Doubt is our product," a cigarette executive once observed, "since it is the best means of competing with the 'body of fact' that

exists in the minds of the general public. It is also the means of establishing a controversy." In this eye-opening expose, David Michaels reveals how the tobacco industry's duplicitous tactics spawned a multimillion dollar industry that is dismantling public health safeguards. Product defense consultants, he argues, have increasingly skewed the scientific literature, manufactured and magnified scientific uncertainty, and influenced policy decisions to the advantage of polluters and the manufacturers of dangerous products. To keep the public confused about the hazards posed by global warming, second-hand smoke, asbestos, lead, plastics, and many other toxic materials, industry executives have hired unscrupulous scientists and lobbyists to dispute scientific evidence about health risks. In doing so, they have not only delayed action on specific hazards, but they have constructed barriers to make it harder for lawmakers, government agencies, and courts to respond to future threats. The Orwellian strategy of dismissing research conducted by the scientific community as "junk science" and elevating science conducted by product defense specialists to "sound science" status also creates confusion about the very nature of scientific inquiry and undermines the public's confidence in science's ability to address public health and environmental concerns. Such reckless practices have long existed, but Michaels argues that the Bush administration deepened the dysfunction by virtually handing over regulatory agencies to the very corporate powers whose products and behavior they are charged with overseeing. In *Doubt Is Their Product* Michaels proves, beyond a doubt, that our regulatory system has been broken. He offers concrete, workable suggestions for how it can be restored by taking the politics out of science and ensuring that concern for public safety, rather than private profits, guides our regulatory policy. Named one of the best Sci-Tech books of 2008 by Library Journal!

Let's Pop, Pop, Popcorn! Cynthia Schumerth 2021-03-15 "Told through rhyme, the step-by-step process of how America's favorite snack is grown, harvested, and popped is explained. Back matter includes scientific facts and activities"--
