DCF | Division on Women
The Division on Women develops, promotes, and expands women’s rights in the areas of poverty and welfare, employment and wages, work and family, the economic and social aspects of healthcare, violence against women, and women’s civic and political participation in their communities.

Sexual division of labour - Wikipedia
The sexual division of labour (SDL) is the delegation of different tasks between males and females. Among human foragers, males and females target different types of foods and share them with each other for a mutual or familial benefit. In some species, males and females eat slightly different foods, while in other species, males and females will routinely share food; but only in humans are

The Impact of Racism on the Sexual and Reproductive Health
Introduction. Although public health efforts have made considerable progress in promoting health equity in the United States, studies suggest that African American women are disproportionately affected by multiple sexual and reproductive health conditions compared with women of other races/ethnicities. 1,2 HIV and pregnancy-related complications remain within the top 10 leading causes of
