The Symbolic Dramatic Play Literacy Connection Whole Brain Whole Body Holistic Learning

What Is Dramatic Play and How Does It Support Literacy

Dramatic play allows children to experiment with purposes for literacy they’ve seen at home. By including functional print, such as newspapers, personal letters, menus, shelf signs, coupons, and labeled food containers, in children’s play and giving them paper and pens for writing, we create an environment that allows them to interact with

Building Language and Literacy Through Play | Scholastic

Prompting Language and Literacy. Many of children’s behaviors have a play element in them—from fingerplays, to movement games, to building with blocks. However, the play that has the most profound effect on language and literacy development is dramatic play.
