The Yeoman In The Canterbury Tales

The Canon Yeoman's Prologue and Tale - Geoffrey Chaucer 1965-01-01 The following series consists of separate volumes of the works of Chaucer, individually edited with introductions, notes & glossaries by Maurice Hussey, James Winny & A.C. Spearing.

Historians on Chaucer - Alastair J. Minnis 2014 While literary scholars have insisted on the need to understand works of medieval literature in their historical context, medieval historians themselves have rarely contributed to modern attempts to show how works of imaginative literature engaged with the conflicts and controversies of their own day. This volume brings together 25 experts in the history of fourteenth-century England and asks them to discuss one of the most famous works of Middle English literature - Geoffrey Chaucer's 'General Prologue' to the Canterbury Tales - in relation to the economic change, social issues, and religious controversies of the period. Beginning with a survey of recent debates about the social meaning of Chaucer's work, the volume then discusses each of the Canterbury pilgrims in turn. The book should be of interest to all scholars and students of medieval culture whether they are specialists in literature or history.

Chaucer's Canterbury Tales - 2020-03-07

The General Prologue to the Canterbury Tales and the Canon's Yeoman's Prologue and Tale - Geoffrey Chaucer 1976 With notes printed at the foot of each page, this edition describes Chaucer's method of creating a realistic effect through a pilgrimage that manages to bring together disparate characters who would be unlikely to meet in another context and shows how Chaucer uses clothing, language and social class as part of his characterisation of the pilgrims.

The Canon's Yeoman's Prologue and Tale - Geoffrey Chaucer 2016-11-29 The classic respected series in a stunning new design. This edition of The Canon's Yeoman's Prologue and Tale from the highly-respected Selected Tales series includes the full, complete text in the original Middle English, along with an in-depth introduction by Maurice Hussey, detailed notes and a comprehensive glossary.

The Canon's Yeoman's Tale - Geoffrey CHAUCER 1967

Geoffrey Chaucer - Jerome Mandel 1992 As he examines the seven multitale fragments of the Canterbury Tales, Jerome Mandel reveals Chaucer's working concepts of artistic arrangement. Each chapter focuses upon the principles underlying Chaucer's construction of the fragments and shows how carefully Chaucer integrated all the parts into an artistic whole. In building the fragments, Chaucer adhered to principles of order that he invented, defined for himself, or discovered among the writers that he read. Chaucer never finished the Canterbury Tales. Knowing which stories he had at hand and realizing which stories he had yet to write, he began the process of arranging the tales sometime between 1387 and his death in 1400. He designed the order in which he wanted some of the tales to be read, wrote prologues and links, and manipulated the structure, themes, and characters of those tales he designated for each individual fragment. The same artistic techniques of contrast, cross-referencing, and leitmotif which unify the individual tales, he used to unify the multitale fragments and to ensure the coherence of the whole project. Even when they do not share the same tone, point of view, narrator, or genre, the tales within each fragment belong together because they share the same themes and types of characters and, perhaps most indicative of Chaucer's ideas of order, they share the same structure. These parallels, which pervade every fragment of the Canterbury Tales, insist that certain tales, and no others, be joined to form a coherent aesthetic unit. Therefore, each fragment, regardless of its intended position in an overall scheme which Chaucer never completed, is a coherent work of art. By examining the methods Chaucer used to link the tales into clearly defined and coherent fragments, Professor Mandel shows how Chaucer designed and built the tales to fit together with mutual coherence. In the process, his book enlarges our awareness of Chaucer's creative richness by uncovering all manner of previously unnoticed excellences in one of the more neglected areas of Chaucer's art in the Canterbury Tales. This book is full of pleasant surprises. Not only do we discover the principles that governed Chaucer's choices but we discover that the tales Chaucer linked, especially in the two-tale fragments, are more like each other than they are like any other tale in the collection. Learned and original, the book provides exciting insights into the way Chaucer constructed the individual fragments of the Canterbury Tales and thus improves our understanding of the craft that Chaucer found "so long to lerne."

The Canon's Yeoman's Prologue and Tale - Geoffrey Chaucer 1968

The Canon's Yeoman's Prologue and Tale. from the Canterbury Tales... D - Geoffrey Chaucer 1966

The general prologue to the Canterbury tales and the Canon's yeoman's prologue and tale - Geoffrey Chaucer 1976
Chaucer's Poetic Alchemy - Sheila Fisher 2019-10-07 Originally published in 1988. The economic changes and the growth of commerce in fourteenth century England precipitated both social changes and a preoccupation with material wealth. This book examines Chaucer's treatment of economic and ethical value in The Canterbury Tales within the context of contemporary economic and social change and in relation to the scholastic economic theory that attempted to formulate ethical standards for commercial conduct. The importance of value and its determination and transformation is evident from the two enterprises that Chaucer defines as the motivating principles for his poem. The pilgrimage to St. Thomas's shrine should effect a transformation of their spiritual value. The story-telling competition that produces the tales themselves is established to judge the value of the pilgrims' literary productions. In the Middle Ages, economic value and ethical value were not perceived as unrelated phenomena. Chaucer's concern with the interrelationship of material and moral value is apparent in the number of pilgrims who are interested in material value at the obvious expense of moral value. This book examines this along with a discussion or money's growing importance in the late Middle Ages and the determination of its value.

The General Prologue to the Canterbury Tales and the Canon's Yeoman's Prologue and Tale - Geoffrey Chaucer 1976

Sources and Analogues of the Canterbury Tales - Robert M. Correale 2002 "This edition ... contains the sources and major analogues of Chaucer's works (some re-edited from manuscripts closer to his own copies) together with discoveries from the past half-century, some of which have not previously appeared together in print. Special features in this new enterprise include a fresh interpretation of Chaucer's sources for the frame of the work, and modern English translations of all non-English texts; chapters on the individual tales contain an updated survey of the present state of scholarship on their source material". – BOOKJACKET.

The Evolution of the Canterbury Tales - Walter W. Skeat 2016-03-17 The Canterbury Tales by Geoffrey Chaucer, published in 1475, is quite possibly the most famous text written in Middle English and has been studied and analysed countless times over the several hundred years that have passed since original publication. Skeat’s essay, originally published in 1907, aims to explore the organisation of the tales within the whole manuscript. This title will be of interest to students of English Literature

Chaucerian Textuality - Gwanghyun Shynne 1993

Chaucer's Pilgrims - Laura C. Lambdin 1999 Provides a detailed historical description of the occupations of each of the pilgrims in Chaucer's "Canterbury Tales," with each entry placing their vocation in historical context and discussing the daily routine of the pilgrim's occupation.
