The Lost Plays of Greek Tragedy (Volume 2) Matthew Wright 2018-12-13 The surviving works of Aeschylus, Sophocles and Euripides have been familiar to readers and theatergoers for centuries. For them, the plays were not just entertaining; they were also educational. The tragedies were a means of teaching, and the scenes of violence were meant to warn the audience of the consequences of wickedness. The plays also contained lessons about virtue and justice, and the gods were often depicted as rewarders of Socrates and avengers of those who are evil.

Ancient Greece (3rd Edition) Jonathan Lawlor 2017-08-07 This book is an introduction to the culture and society of ancient Greece, from the Bronze Age to the Roman conquest. It covers the development of the city-state, the growth of Athens and its empire, and the impact of the Peloponnesian War on the Greek city-states.

Spectacles of Truth in Classical Greek Philosophy Matthew Grethlein 2010-02-04 Investigates literary memory in the fifth century BCE, covering poetry and oratory as well as the first Greek historians. The book explores the role of literary memory in the development of Greek philosophy, and argues that the concept of memory is central to understanding the intellectual and cultural context of the time.

The Greek World After Alexander 323-30 BC Matthew Simonton 2018-12-13 The Greek world after Alexander 323-30 BC remains one of the most important periods in the history of the ancient Mediterranean. This book examines the political, social, and cultural developments of the period, including the rise of Hellenistic kings, the development of philosophy, and the spread of Greek culture throughout the Mediterranean world.

Prostitution in the Ancient Greek World Konstantinos Kapparis 2017-10-23 This book examines the history of prostitution in the ancient Greek world, including its role in society, the economic and social factors that influenced it, and the methods used to control it. The book also considers the impact of prostitution on the development of the ancient Greek city-state.

Sex in Antiquity Ariadne Konstantinou 2018-01-25 This book examines the role of gender and sexuality in the ancient world, focusing on the experiences of women and men in Greek society. It discusses the myths and legends that surrounded these issues, as well as the impact of these ideas on the development of ancient Greek culture.
