Field Guide to the Ladybirds of Great Britain and Ireland-Helen Roy 2018-11-29 "A ground-breaking identification guide ... the perfect marriage of artistic excellence, deep knowledge and, dare I say it, of scientists' genuine affection." BRET WESTWOOD This brand new illustrated field guide covers all 47 species of ladybird occurring in the British Isles in a handy and easy-to-use format. Twenty-seven species are colourful and conspicuous and easily recognised as ladybirds; the remaining species are more challenging, but the clear illustrations and up-to-date text in this guide will help to break down the identification barriers. A useful introduction provides an overview of ladybird ecology, tips on studying and recording, and suggested sites for finding ladybirds. The main part of the book comprises detailed species texts, covering field characters, food, habitats, suggested survey methods, ranges, conservation statuses and distribution trends. An illustrated at-a-glance identification guide and helpful pointers for differentiating similar-looking species are also included. With 102 colour photographs and 47 distribution maps, combined with Richard Lewington's peerless artwork, this is the definitive guide to one of our most cherished and charismatic insect groups.
Images of Britain - Ann Stonehouse 2012
The best guide to the country, packed with full-color photographs of the highest caliber. This magnificent collection of photographs captures not only Britain's splendid natural beauty, but the very essence of the land—its people, its history, its architecture, and its customs. Stunning pictures transport readers on a journey county by county though England, Scotland, and Wales, with extended captions that bring each image to life. From cottages to cathedrals, from palaces to promenades, and from Stonehenge to the works of modern British sculptors, this is a stunning photographic celebration of Britain's glorious past and thriving present.

AA Book of the Car - Automobile Association (Great Britain) 1974

Where to Go When Great Britain and Ireland - DK Eyewitness 2012-06-07
Whether you're after a stroll through the woods in springtime, a canoe safari on the Norfolk Broads, a day at the caber-tossing Highland Games or afternoon tea at a fancy hotel, this book will lead you to the best holiday destinations and experiences Great Britain and Ireland have to offer. Its easy-to-use season-by-season format and six themes - History and Heritage; Wildlife and Landscape; Cities, Towns and Villages; Outdoor Activities; Family Getaways;
Once Upon a Time in Great Britain-Melanie Wentz 2014-05-13 Visiting England, Scotland, Ireland, Wales? Don't miss Narnia, Wonderland, Hogwarts and Middle-Earth! If you're planning a trip abroad--or just a flight of fancy into literature's best-loved magical lands--Melanie Wentz's Once Upon a Time in Great Britain is a wonderful chance to read all about the creation of your favorite children's books. This book is both a practical travel guide for your family vacation to the UK, and a terrific source of armchair-travel fascination. Each chapter covers classics such as Peter Rabbit and Paddington Bear for the youngest tourists, Alice in Wonderland, Kidnapped and The Secret Garden for the older kids, and C.S. Lewis' Narnia Chronicles and J.K. Rowling's Harry Potter books for everyone. Read about the real chocolate factory that made such an impression on the young Roald Dahl, or the cozy pub where C.S. Lewis and J.R.R. Tolkien introduced their friends to Narnia and hobbits. Treat your kids to a visit to the real "100 Aker Wood" that helped A.A. Milne create Winnie the Pooh, or the station where Thomas the Tank Engine lives. And enjoy the many original illustrations that made the books so distinctive on their first publications. From parents who grew up on Wind in the Willows, Mary Poppins and Peter Pan to kids who thrill to Harry Potter, Once Upon a Time in Great Britain is a must-have addition to the libraries of children--and adults--everywhere.

Brian Cook's Landscapes of Britain-Brian Cook 2012 The illustrations of Brian Cook from the 1930s, 1940s and 1950s have become iconic. His heightened use of colour, in a flat colour poster style, is much imitated, but never surpassed. His jacket covers for the Batsford series of books that celebrated British life are now very collectable. This collection of his best work is a beautiful publication that should be enjoyed not only by collectors but all lovers of good design and illustration. Brian Cook describes his working processes, the then-new printing process that allowed him to pioneer his characteristic bold colours, and the design principles and practical methods of his craft. A stunning book for designers.

Staying for longer and looking for a more comprehensive e-guide to Great Britain? Try our DK Eyewitness Travel Guide Great Britain.

The Oxford History of Britain - Kenneth O. Morgan 2021-02-25 A new edition of this best-selling history of Britain, from Roman times, now updated to cover the first decade of the 21st century. The Oxford History of Britain tells the story of Britain and its people over two thousand years, from the coming of the Roman legions to the present day. Encompassing political, social, economic, and cultural developments throughout the British Isles, the dramatic narrative is taken up in turn by ten leading historians who offer the fruits of the best modern scholarship to the general reader in an authoritative form. A vivid, sometimes surprising picture emerges of a continuous turmoil of change in every period, and the wider social context of political and economic tension is made clear. But consensus, no less than conflict, is a part of the story: in focusing on elements of continuity down the centuries, the authors bring out that special awareness of identity which has been such a distinctive feature of British society. By relating both these factors in the British experience, and by exploring the many ways in which Britain has shaped and been shaped by contact with Europe and the wider world, this landmark work brings the reader face to face with the past, and the foundations of modern British society. This updated new edition (by the original editor) adds great richness by taking the story down from the economic crisis of 2008 to the conflict over Europe at the present day.

AA Book of the Seaside - Automobile Association (Great Britain) 1972

An Illustrated Encyclopedia of Uniforms of World War II - Jonathan North 2015-07-07 This unique illustrated book charts the development in military uniform in relation to a shifting world, in an incredible visual directory with expert analysis and commentary.

Britain - Roy Woodcock 2006-01-01 Part of the "Best Drives" series, this is a practical motoring guide from the AA. Useful for car touring, it is not just for independent travellers, but also those who wish to know more about the chosen region. It is also illustrated with colour
photographs throughout.

**Collins BTO Guide to British Birds**- Paul Sterry 2015-06-04 In a unique new collaboration, Collins have paired up with the respected British Trust for Ornithology, bringing together the most authoritative and up-to-date information in this new field guide to the common birds of Britain and Ireland.

**A.A. Illustrated Guide to Britain**- Automobile Association (Great Britain) 1977

**The Old Ways**- Robert Macfarlane 2012-10-11 From the acclaimed author of The Wild Places and Underland, an exploration of walking and thinking In this exquisitely written book, Robert Macfarlane sets off from his Cambridge, England, home to follow the ancient tracks, holloways, drove roads, and sea paths that crisscross both the British landscape and its waters and territories beyond. The result is an immersive, enthralling exploration of the ghosts and voices that haunt old paths, of the stories our tracks keep and tell, and of pilgrimage and ritual. Told in Macfarlane’s distinctive voice, The Old Ways folds together natural history, cartography, geology, archaeology and literature. His walks take him from the chalk downs of England to the bird islands of the Scottish northwest, from Palestine to the sacred landscapes of Spain and the Himalayas. Along the way he crosses paths with walkers of many kinds—wanderers, pilgrims, guides, and artists. Above all this is a book about walking as a journey inward and the subtle ways we are shaped by the landscapes through which we move. Macfarlane discovers that paths offer not just a means of traversing space, but of feeling, knowing, and thinking.

**National Parks of Britain**- Roly Smith 2008 Offers an insight into the history of the various national parks of Britain. This book provides advice and tips on what to see and do. It also includes maps of the featured parks.

**Illustrated Guide to Home Forensic Science Experiments**- Robert Bruce Thompson 2012-08-07 Have you ever wondered whether the forensic science you’ve seen on TV is anything like the real thing? There’s no better way to find out than to roll up your sleeves and
do it yourself. This full-color book offers advice for setting up an inexpensive home lab, and includes more than 50 hands-on lab sessions that deal with forensic science experiments in biology, chemistry, and physics. You’ll learn the practical skills and fundamental knowledge needed to pursue forensics as a lifelong hobby—or even a career. The forensic science procedures in this book are not merely educational, they’re the real deal. Each chapter includes one or more lab sessions devoted to a particular topic. You’ll find a complete list of equipment and chemicals you need for each session. Analyze soil, hair, and fibers Match glass and plastic specimens Develop latent fingerprints and reveal blood traces Conduct drug and toxicology tests Analyze gunshot and explosives residues Detect forgeries and fakes Analyze impressions, such as tool marks and footprints Match pollen and diatom samples Extract, isolate, and visualize DNA samples Through their company, The Home Scientist, LLC (thehomescientist.com/forensics), the authors also offer inexpensive custom kits that provide specialized equipment and supplies you’ll need to complete the experiments. Add a microscope and some common household items and you’re good to go.

**A History of British Birds** - William Yarrell 1882

**Old Possum's Book of Practical Cats** - T. S. Eliot 2019-10-15 T. S. Eliot’s famous collection of nonsense verse about cats—the inspiration for the Andrew Lloyd Webber musical Cats, now made into a major motion picture. This edition features vibrant illustrations by Axel Scheffler.

**The Boy, the Mole, the Fox and the Horse** - Charlie Mackesy 2019-10-29 #1 NEW YORK TIMES BESTSELLER · WALL STREET JOURNAL BESTSELLER · USA TODAY BESTSELLER “The Boy, the Mole, the Fox and the Horse is not only a thought-provoking, discussion-worthy story, the book itself is an object of art.”- The New York Times From the revered British illustrator, a modern fable for all ages that explores life’s universal lessons, featuring 100 color and black-and-white drawings. “What do you want to be when you grow up?” asked the mole. “Kind,” said the boy. Charlie Mackesy offers inspiration and hope in uncertain times in this beautiful book based on his famous quartet of characters. The Boy, the Mole, the Fox, and the Horse explores their unlikely friendship and the poignant, universal lessons they learn together. Radiant with Mackesy’s warmth and gentle wit, The Boy, the Mole, the Fox, and the Horse blends hand-written narrative with dozens of drawings, including some of his best-loved illustrations (including “Help,” which has been shared over one million times) and new, never-before-seen material. A modern classic in the vein of The Tao of Pooh, The Alchemist, and The Giving Tree, this charmingly designed keepsake will be treasured for generations to come.
A. A. Illustrated Guide to Britain - Drive Publications Limited 1974

The Memoirs of Field Marshal Montgomery - Viscount Montgomery of Alamein 2006-03-19 First published in 1958 Montgomery's memoirs cover the full span of his career first as a regimental officer in the Royal Warwickshire Regiment and then as a Staff Officer. His choice of the Warwickshires was due to his lack of money. He saw service in India before impressing with his courage, tactical skill and staff ability in the Great War. Despite his tactless uncompromising manner his career flourished between the wars but it was during the retreat to Dunkirk that his true brilliance as a commander revealed itself. The rest is history but in this autobiography we can hear Monty telling his side of the story of the great North African Campaign followed by the even more momentous battles against the enemy and, sadly, the Allies as he strove for victory in North West Europe. His interpretation of the great campaign is of huge importance and reveals the deep differences that existed between him and Eisenhower and other leading figures. His career ended in disappointment and frustration being temperamentally unsuited to Whitehall and the political machinations of NATO.

The Oxford Literary Guide to the British Isles - Dorothy S. Eagle 1980

Illustrated Road Book of Ireland - Automobile Association (Great Britain) 1966

The British Are Coming - Rick Atkinson 2019-05-14 Winner of the Barbara and David Zalaznick Book Prize in American History Winner of the Excellence in American History Book Award Winner of the Fraunces Tavern Museum Book Award From the bestselling author of the Liberation Trilogy comes the extraordinary first volume of his new trilogy about the American Revolution Rick Atkinson, author of the Pulitzer Prize-winning An Army at Dawn and two other superb books about World War II, has long been admired for his deeply researched, stunningly vivid narrative histories. Now he turns his attention to a new war, and in the initial volume of the Revolution Trilogy he recounts the first twenty-one months of America’s violent war for independence. From the battles at Lexington and Concord in spring 1775 to those at Trenton and Princeton in winter 1777, American militiamen and then the ragged Continental Army take on the world’s most formidable fighting force. It is a gripping saga alive with astonishing characters: Henry Knox, the former bookseller with an uncanny understanding of artillery; Nathanael Greene, the blue-eyed bumpkin who becomes a brilliant battle captain; Benjamin Franklin, the self-made man who proves to be the wiliest of diplomats; George Washington, the commander in chief who learns the difficult art of leadership when the war seems all but lost. The story is also told from the British perspective, making the mortal conflict between the
redcoats and the rebels all the more compelling. Full of riveting details and untold stories, The British Are Coming is a tale of heroes and knaves, of sacrifice and blunder, of redemption and profound suffering. Rick Atkinson has given stirring new life to the first act of our country's creation drama.

**The Illustrated Book of Heraldry**-Stephen Slater 2018-10-30 Comprehensively covers every aspect of the history, language and use of heraldry.
