**Discipleship Handbook**-Jim Howard 2015-06-20

**The Disciple Maker's Handbook**-Bobby Harrington 2017-02-07 Many people believe that discipleship is important, but they need help. In fact, the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus. Is it any wonder that they have a difficult time knowing how to disciple others? If making disciples of Jesus is the greatest cause on earth, how should we equip people to do it? This handbook is a practical guide for how to embrace the discipleship lifestyle - being a disciple of Jesus and how to make other disciples of Jesus. With contributions from pastors and teachers like Francis Chan, Jeff Vanderstelt, Bill Hull, Jim Putman, KP Yohannan, and Robert Coleman, the authors present seven elements that are necessary for disciple making to occur: Jesus—the original disciple maker and centerpiece of discipleship. Holy Spirit—fuels the disciple-making process. Intentionality—making disciples utilizing a strategy and a roadmap. Relationships—creating a loving, genuine connection with others who trust and follow Jesus. Bible—using the Word of God as the manual for making disciples. Journey—forging a traceable growth story from a new birth to spiritual parenthood. Multiply—reproducing the discipleship process so that the disciple becomes a disciple maker. Whether you are a parent who wants to disciple your children, a small group leader who wants to disciple those in your group, or a church leader who wants to disciple future leaders, the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations. In addition, there are questions provided in each section to help you think through how to apply the material to your disciple making efforts.

**The Disciple**-Arch Emeka Okoye 2016-02-14 I think most of us Christians need the inspiration of the Holy Spirit to understand fully what the Lord was saying here in the Spirit, to understand the calling we received, no one was called by the Lord to come and be a bench warmer, or to just be a worker in church, for we all know only in parts and only the Spirit of the man knows the mind of the man , so only the Holy Spirit knows what God was asking us to do here through Jesus when he was giving us the great commission. The bible records in the book of Acts 1:2; Until the day in which he was taken up, after that he through the Holy Ghost had given Instructions (Commandments) unto the apostles he had chosen. We all need to be brought into the full depth of this commission by the Holy Ghost because He alone knows the mind of God who was speaking through Jesus at this hour just before ascension. The Holy Spirit is the Spirit of God that proceeds from God the Father and He alone can reveal spiritually what God is saying here.1Corinthians 2:10-11.For once we catch the fire in the inside of us then it is impossible for anyone or the devil to stop us in our work with the Lord, AND LO I AM WITH YOU ALWAYS, EVEN TO THE END OF AGE, AMEN. What then shall we say in response to this? If God is for us who can be against us? Romans 8:31. (The fact that the last statement of our Lord ended with amen indicates that it was an instruction that ended with an affirmative prophetic prayer) Jesus and God were jointly giving that instruction through the Holy Spirit and we saw the manifestations of the affirmative prophetic prayer in the lives of the apostles as signs and wonders with fruitfulness following them in their work.After the Lord Jesus had spoken to them, he was taken up into heaven and he sat on the right hand of God. Then the disciples went out and preached everywhere, and the Lord worked with them and confirmed his word by the signs that accompanied it- Mark 16: 19-2

**Kingdom Discipleship**-Frederick Osborn 2014-12-12 The way of Kingdom Discipleship is not one of several options for Christians to choose from. There is no other offer being made. Jesus made it clear to all who want to follow Him that they must follow Him on HIS terms alone or they will never make it to the end. Being a disciple of Jesus is the ONLY way to become all that we were intended to be. We who were saved from the world are on the way to becoming fully formed into the image of Christ. This is God's plan; and Kingdom Discipleship is the means to that end. For individual or group study, Kingdom Discipleship is a study guide intended to lead Christians into a deeper walk of abiding with God. This study concentrates on the teachings Jesus intended His disciples to follow to transform them into becoming like Him in word and deed.

**The Skinny on Discipleship**-Katie Edwards 2015-05-28 Life-shaping discipleship isn't a random event. It's an intentional adventure, and teenagers need someone who's walking with them on the journey and helping them grow as a disciple of Jesus Christ. Jesus modeled this for us through relationship with his closest disciples. He spent time with them, shared life with them, taught them to obey, shared experiences with them, gave them direction, and promised to be with them. This is what we are called to as youth workers—the model for us to follow. The Skinny on Discipleship will become a practical guide in your role as a disciple-maker. You'll discover innovative insights and powerful encouragement for knowing Jesus, loving him, and placing him at the center of your life—and then helping teenagers along on that same journey. When it comes to discipleship, there are no shortcuts, there's no handbook for teenagers, and there's no timeline on what it will take to help each teenager draw closer to Jesus. But you can follow the model of Jesus, rely on the truth that he's with you, and remember that ultimately he loves teenagers even more than you do.

The study gives the Old and New Testaments equal time, emphasizing the wholeness of the Bible as a revelation of God. DISCIPLE draws upon the work of scholars, the personal Bible reading and study of the participant, and dynamic group discussion to aid understanding of the Bible. The first study in the program is DISCIPLE: BECOMING DISCIPLES THROUGH BIBLE STUDY, a thirty-four week overview of the entire Bible. Commitment and Time Involved Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. Study Manual Each member of the group needs a study manual and a Bible. The Bible is the text for the study and the study manual will guide group members in their study and preparation for the weekly group session. The study manual also includes suggestions for individual and study-related activities. Space is provided for taking notes while reading Scripture, for recording thoughts and questions arising out of daily study, and for notes during the weekly group session. The titles of the sessions along with theme words and theme verses, and major persons, events, and topics will set the sequence of the biblical story in the minds of the participants. **Building Cathedrals**-Ted Travis 2016-05-30 As a young urban youth worker, Ted Travis was captivated by a question posed by Christian community development pioneer Dr. John Perkins: "How do we build incentive in inner-city youth, motivating them toward Christ and a life of meaning and purpose?" Over the next 30 years, Ted wrestled with this question as he and his wife Shelly ministered to hundreds of teens in Denver's Five Points neighborhood- an inner-city community facing the daunting challenges of poverty, gangs, crime, and unemployment. Along the way, Ted pressed biblical principles and tried-in-the-trenches strategies into a philosophy of youth leadership development he calls "transformational discipleship." In Building Cathedrals, Ted shares his blueprint for transformational discipleship (as well as accounts of its profound impact on young people) and exhorts today's youth workers to reimagine their ministries and raise up a new generation of visionary urban leaders. This book has been revised and expanded, including the addition of a index.

**Saturate**-Jeff Vanderstelt 2015-04-16 What does living for Jesus look like in the everyday stuff of life? Many Christians have unwittingly embraced the idea that "church" is a once-a-week event rather than a community of Spirit-empowered people; that "ministry" is what pastors do on Sundays rather than the 24/7 calling of all believers; and that "discipleship" is a program rather than the normal state of every follower of Jesus. Drawing on his experience as a pastor and church planter, Jeff Vanderstelt wants us to see that there's more—much more—to the Christian life than sitting in a pew once a week. God has called his people to something bigger: a view of the Christian life that encompasses the ordinary, the extraordinary, and everything in between. Packed full of biblical teaching, compelling stories, and real-world advice, this book will remind you that Jesus is filling the world with his presence through the everyday lives of everyday people... People just like you.

**Zealot**-Reza Aslan 2013-07-16 #1 NEW YORK TIMES BESTSELLER • "A lucid, intelligent page-turner" (Los Angeles Times) that challenges long-held assumptions about Jesus, from the host of Believer Two thousand years ago, an itinerant Jewish preacher walked across the Galilee, gathering followers to establish what he called the "Kingdom of God." The revolutionary movement he launched was so threatening to the established order that he was executed as a state criminal. Within decades after his death, his followers would call him God. Sifting through centuries of mythmaking, Reza Aslan sheds new light on one of history's most enigmatic figures by examining Jesus through the lens of the tumultuous era in which he lived. Balancing the Jesus of the Gospels against the historical sources, Aslan describes a man full of conviction and passion, yet rife with contradiction. He explores the reasons the early Christian church preferred to promulgate an image of Jesus as a peaceful spiritual teacher rather than a politically conscious revolutionary. And he grapples with the riddle of how Jesus understood himself, the mystery that is at the heart of all subsequent claims about his divinity. Zealot yields a fresh perspective on one of the greatest stories ever told even as it affirms the radical and transformative nature of Jesus' life and mission. Praise for Zealot "Riveting . . . Aslan synthesizes Scripture and scholarship to create an original account."—The New Yorker "Fascinatingly and convincingly drawn . . . Aslan may come as close as one can to respecting those who revere Jesus as the peace-loving, turn-the-other-cheek, true son of God depicted in modern Christianity, even as he knocks down that image."—The Seattle Times "[Aslan's] literary talent is as essential to the effect of Zealot as are his scholarly and journalistic chops. . . . A vivid, persuasive portrait."—Salon "This tough-minded, deeply political book does full justice to the real Jesus, and honors him in the process."—San Francisco Chronicle "A special and revealing work, one that believer and skeptic alike will find surprising, engaging, and original."—Jon Meacham, Pulitzer Prize-winning author of Thomas Jefferson: The Art of Power "Compulsively readable . . . This superb work is highly recommended."—Publishers Weekly (starred review)
