Mmmskyscraper I Love You A Typographic Journal Of New York

Mmm...Skyscraper I Love You-Karl Hyde 1994 Originated by Tomato, this work is closely related to the message and imagery of techno band Underworld's music, creating a typographic map of a journey through the streets of New York.

Mmm...skyscraper i Love You (a Typographic Journal of New York)-Alan Davis 2000

I Am Dogboy-Karl Hyde 2016-11-03 In 1999, Underworld's Karl Hyde began writing a public diary. Every day since then, Hyde has documented his thoughts, lyrical works-in-progress, poetry, and biographical essays alongside "found" visuals. For the last sixteen years, these entries have collectively created an on-going, utterly unique monologue on Underworld's website. "I Am Dogboy" handpicks a selection of diary entries and rearranges them to create an autobiographical narrative that takes Hyde from childhood through to the exploratory early years of Underworld, an electronic act who have been peerless for the last 25 years. Spliced throughout the narrative are standalone/abstract poetic pieces that offer occasional snapshots of life on the road and in the studio and give an insight into Hyde's singular style of lyric writing. The book is beautifully designed by John Warwicker Hyde's long time collaborator and co-founder of the Tomato collective. Karl Hyde and John Warwicker have previously published the typographic books "Mmm... Skyscraper I Love You" and "In The Belly of St Paul."

In the Belly of St. Paul-Karl Hyde 2003

Made in Manhattan-Lauren Layne 2022-01-18 From the New York Times bestselling author of the Central Park Pact comes a reverse My Fair Lady for the modern era about a pampered and privileged Manhattan socialite who must teach an unpolished and denim-loving nobody from the Louisiana Bayou how to fit in with the upper crust of New York City. Perfect for fans of Christina Lauren and Sally Thorne. Violet Townsend has always been a people pleaser. Raised in the privileged world of Upper East Side Manhattan, she always says the right things, wears the right clothes, and never rocks the boat. Violet would do anything for the people closest to her, especially her beloved grandmother. So when she asks Violet to teach the newly-discovered grandson of her friend how to fit in with New York City’s elite, Violet immediately agrees. Her goal? To get Cain Stone ready to take his place as heir to his family company...but to say he’s not exactly an eager student is an understatement. Born and raised in rural Louisiana and now making his own way in New Orleans, Cain Stone is only playing along for the paycheck at the end. He has no use for the grandmother he didn’t know existed and no patience for the uppity Violet’s attempts to turn him into a suit-wearing, museum-attending gentleman. But somewhere amidst antagonistic dinner parties and tortured tux fittings, Cain and Violet come to a begrudging understanding—and the uptight Violet realizes she’s not the only one doing the teaching. As she and Cain begin to find mutual respect for one another (and maybe even something more), Violet learns that blindly following society’s rules doesn’t lead to happiness...and that sometimes the best things in life come from the most unexpected places.

An Anecdoted Topography of Chance-Daniel Spoerri 1995 Atlas Arkhive Four - Documents of the Avant Garde Arguably the most important and entertaining Artist's Book of the post-war period, this edition is the definitive appearance to date of a unique collaborative work of four artists associated with the FLUXUS and Nouveau Realisme movements. Includes contributions from Robert Filliou, Emmett Williams, and Dieter Roth, together with 100 illustrations by Topor.

Something Dangerous-Penny Vincenzi 2005-10-25 The dazzling Lytton twins, Adele and Venetia, are born into the great Lytton publishing empire. In 1928, on their eighteenth birthday, they are rich and admired, with a confidence verging on arrogance. But the specter of Nazi Germany is growing—Gradually their privileged world darkens in unimaginable ways—but it is not just the twins whose lives have been irrevably changed. Barty Miller, rescued from the London slums in babyhood by Celia Lytton, is clever, ambitious, and a complete contrast to the twins—and she faces temptation of the most unexpected kind...

Cartwheel-Jennifer duBois 2013-09-24 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Slate • Cosmopolitan • Salon • BuzzFeed • BookPage Written with the riveting storytelling of authors like Emma Donoghue, Adam Johnson, Ann Patchett, and Curtis Sittenfeld, Cartwheel is a suspenseful and haunting novel of an American foreign exchange student arrested for murder, and a father trying to hold his family together. When Lily Hayes arrives in Buenos Aires for her semester abroad, she is enchanted by everything she encounters: the colorful buildings, the street food, the handsome, elusive man next door. Her studious roommate Katy is a bit of a bore, but Lily didn’t come to Argentina to hang out with other Americans. Five weeks later, Katy is found brutally murdered in their shared home, and Lily is the prime suspect. But who is Lily Hayes? It depends on who’s asking. As the case takes shape—revealing deceptions, secrets, and suspicious DNA—Lily appears alternately sinister and guileless through the eyes of those around her: the media, her family, the man who loves her and the man who seeks her conviction. With mordant wit and keen emotional insight, Cartwheel offers a prismatic investigation of the ways we decide what to see—and to believe—in one another and ourselves. In Cartwheel, duBois delivers a novel of propulsive psychological suspense and rare moral nuance. No two readers will agree who Lily is and what happened to her roommate. Cartwheel will keep you guessing until the final page, and its questions about how well we really know ourselves will linger well beyond. WINNER

OF THE HOUSATONIC BOOK AWARD • Look for special features inside. Join the Random House Reader’s Circle for author chats and more. “A smart, literary thriller [for] fans of Gillian Flynn’s Gone Girl.”—The Huffington Post “Psychologically astute . . . DuBois hits [the] larger sadness just right and dispenses with all the salacious details you can readily find elsewhere. . . . The writing in Cartwheel is a pleasure—electric, fine-tuned, intelligent, conflicted. The novel is engaging, and its portrait hits delightfully and necessarily close to home.”—The New York Times Book Review (Editor’s Choice) "Marvelous . . . a gripping tale . . . Every sentence crackles with wit and vision. Every page casts a spell."—Maggie Shipstead, author of Seating Arrangements [You’ll] break your own record of pages read per minute as you tear through this book.―—Marie Claire “A convincing, compelling tale . . . The story plays out in all its well-told complexity.”—New York Daily News [A] gripping, gorgeously written novel . . . The emotional intelligence in Cartwheel is so sharp it’s almost ruthless—a tabloid tragedy elevated to high art. [Grade: A+]—Entertainment Weekly “Sure-footed and psychologically calibrated . . . Reviewers of duBois’s first novel, A Partial History of Lost Causes, called it brainy and beautiful, a verdict that fits this successor. . . . As the pages fly, the reader hardly notices that duBois has stretched the genre of the criminal procedural.”—Newsday “The power of Cartwheel resides in duBois’ talent for understanding how the foreign world can illuminate the most deeply held secrets we keep from others, and ourselves.”—Chicago Tribune

Hero—Samantha Young 2015 “Alexa Holland’s father was her hero—until her shocking discovery that her mother and she weren’t his only family. Ever since, Alexa has worked to turn her life in a different direction and forge her own identity outside of his terrible secrets. But when she meets a man who’s as damaged by her father’s mistakes as she is, Alexa must help him”--

Room—Emma Donoghue 2017-05-07 Kidnapped as a teenage girl, Ma has been locked inside a purpose built room in her captor's garden for seven years. Her five year old son, Jack, has no concept of the world outside and happily exists inside Room with the help of Ma’s games and his vivid imagination where objects like Rug, Lamp and TV are his only friends. But for Ma the time has come to escape and face their biggest challenge to date: the world outside Room.

Lol: Laugh Out Loud—Molly Maddox 2019-03-31 Scotty: When a gorgeous cop comes racing out of a building on Fifth Avenue, hops in your horse-drawn carriage, and screams, "Go!"—you go. You don’t stop and ask for paperwork. Or a badge. Or an explanation of who you’re chasing. You simply follow his shouted orders and try not to kill anyone in the process. At least, that’s what I did when it happened to me. But then it turns out that the "cop" is none other than Roman Burke, Hollywood’s hottest star, and our little joyride gets me fired. Now I’m broke, my horse has been evicted from her barn, and I’ve got nowhere to turn. Roman: When you accidentally hijack a Central Park carriage to escape the paparazzi, get pulled over by the police, and your crisis manager insists you lay low for a while, you nod your head and go. And when the cute carriage driver shows up on your front step, horse in tow, blaming you for losing his job, you agree to fix it. Even if that means hauling both him and his horse along with you on your Vermont getaway. At least that’s what I did when it happened to me. Unfortunately, trouble seems to stick to the sexy carriage driver like hot syrup on a hotter waffle, making my Vermont retreat anything but quiet. Now the carriage driver is in my bed, unexpected guests are crawling out of the woodwork, and the paparazzi is on my tail. With chaos and scandal swirling around me, suddenly, it isn’t just my career on the line. It’s my heart.

Unbreak My Heart—Nicole Jacquelyn 2016-06-07 A “heartbreaking, heartwarming” (Heidi McLaughlin, New York Times bestselling author) love story that asks the question: what do you do when your soul mate marries your best friend? If you’re Kate Evans, you keep your friend Rachel, bond with her kids, and bury your feelings for her husband. The fact that Shane’s in the military and away for long periods helps but when tragedy strikes, everything changes. After Rachel, pregnant with her fourth child, dies in a car accident and the baby miraculously survives, Kate upends her entire life to share parenting duties. Then on the first anniversary of Rachel’s death, Kate and Shane take comfort in each other in a night that they both soon regret. Shane’s been angry for a year; and now he feels guilty too - for sleeping with his wife’s best friend and liking it . . . liking her. Kate’s ability to read him like a book may have once sent Shane running, but their lives are forever entwined and they are growing closer. Now with Shane deployed for seven months, Kate is on her own and struggling with being a single parent. Shane is loving and supportive from thousands of miles away, but his homecoming brings a betrayal Kate never saw coming. So Kate’s only choice is to fight for the future she deserves - with or without Shane. . .

The Loudest Silence (Part One)—Olivia Janae 2017-09-07 Kate, an up and coming cellist, is new to Chicago and the 'Windy City Chamber Ensemble'. During her first rehearsal, she is surprised and intrigued to meet Vivian Kensington, the formidable by reputation board president who also happens to be...deaf. As Kate treads the waters of a rocky relationship with the young and foolhardy Ash, she develops a tentative friendship with her cold-hearted boss. As she does, she finds a kindness and a warmth that she never expected. As their friendship grows into something more, Kate wonders, is Ash really who she wants? Or is Vivian who she desires? Is it possible for two women, one from a world of sound and one a world of silence, to truly understand one another?

The Origin of Consciousness in the Breakdown of the Bicameral Mind—Julian Jaynes 2000-08-15 National Book Award Finalist: “This man’s ideas may be the most influential, not to say controversial, of the second half of the twentieth century.”—Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes’s still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. “Don’t be put off by the academic title of Julian Jayne’s The Origin of Consciousness in the Breakdown of the Bicameral Mind. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor.”—The New York Times
“When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis.”—John Updike, The New Yorker “He is as startling as Freud was in The Interpretation of Dreams, and Jaynes is equally as adept at forcing a new view of known human behavior.”—American Journal of Psychiatry

**Startup**-Doree Shafrir 2017-04-25 From veteran online journalist and BuzzFeed writer Doree Shafrir comes a hilarious debut novel that proves there are some dilemmas that no app can solve. "A biting and astute debut novel [with] many delights." --Lara Vapnyar, New York Times Book Review Recommended as a book to read this month by BuzzFeed, Bustle, Entertainment Weekly, Fast Company, Nylon, Town & Country and Lit Hub One of the most anticipated books of 2017--Vulture, BuzzFeed, The Millions, Nylon, PopSugar and Book Riot’s "All the Books" Podcast Mack Mcaillister has a $600 million dollar idea. His mindfulness app, TakeOff, is already the hottest thing in tech and he’s about to launch a new and improved version that promises to bring investors running and may turn his branchchild into a $1 billion dollar business--in startup parlance, an elusive unicorn. Katya Pasternack is hungry for a scoop that will drive traffic. An ambitious young journalist at a gossip tech blog, Katya knows that she needs more than another PR friendly puff piece to make her go-to byline for industry news. Sabrina Choe Blum just wants to stay afloat. The exhausted mother of two and failed creative writer is trying to escape from her credit card debt and an inattentive husband-who also happens to be Katya’s boss-as she rejoins a work force that has gotten younger, hipper, and much more computer literate since she’s been away. Before the ink on Mack’s latest round of funding is dry, an errant text message hints that he may be working a bit too closely for comfort with a young social media manager in his office. When Mack’s bad behavior collides with Katya’s search for a salacious post, Sabrina gets caught in the middle as TakeOff goes viral for all the wrong reasons. As the fallout from Mack’s scandal engulfs the lower Manhattan office building where all three work, it’s up to Katya and Sabrina to write the story the men in their lives would prefer remain untold. An assured, observant debut from the veteran online journalist Doree Shafrir, Startup is a sharp, hugely entertaining story of youth, ambition, love, money and technology’s inability to hack human nature.

**Warm Bodies**-Isaac Marion 2012-12-25 Alienated from his fellow zombies because of his dislike of having to kill humans and his enjoyment of Sinatra music, "R" meets a living girl who sharply contrasts with his cold and dreary world and who he resolves to protect in spite of her delicious appearance. A first novel. Reprint.

**The Time Traveler’s Wife**-Audrey Niffenegger 2014-05-06 Passionately in love, Clare and Henry vow to hold onto each other and their marriage as they struggle with the effects of Chrono-Displacement Disorder, a condition that casts Henry involuntarily into the world of time travel.

**Country Boy**-A. E. Wasp 2019-10 Book #2 of the Hot Of The Ice Hockey gay romance series. The first time Paul Dyson met Robbie Rhodes, they ended up naked in Robbie’s bed. The last time they met, on the ice the morning after, Paul punched Robbie in the face. Now they’re teammates and Paul is so deep in the closet he’ll need a roadmap to find his way out again.

**Accidental Witness (Morelli Family, #1)**-Sam Mariano 2017-03-27 Vince Morelli. The closest I ever wanted to get to him was several rows away in English class. We’d never spoken, but of course I heard the stories about his family. I know they’re dangerous. I know he’s dangerous. Vince never had a reason to notice me, anyway-until I inadvertently witnessed his first mob hit. His family doesn’t believe in leaving witnesses alive, but Vince seems different. He knows the best thing he can do for me is stay away, but something keeps drawing us together. Despite knowing the risks of getting mixed up with him, I can’t resist. Only problem is, Vince is a package deal-you don’t get him without getting swept up in his family’s dark games. Now entangled with a notorious Chicago crime family, will my life ever be mine again?

**Making Pandemonium**-Nadeem Masood 2014-01-02 For every copy of the paperback version sold on the Troubador website, the author will donate £1.50 to Macmillan Cancer Support ** All copies that are pre-ordered in the UK before 1pm on 18th December will be delivered in time for Christmas ** The Opening Ceremony of the Olympic Games in 2012 was celebrated as the greatest ceremony ever. It won over critics and the general public, and made the nation proud. Now you can discover exactly how the incredible spectacle was put together, and transformed into what the world saw on the night. The Pandemonium segment of the Opening Ceremony of the Olympic Games was met with disbelief and awe, and has been widely acclaimed as the most spectacular part of the show. Making Pandemonium describes the entire rehearsal process of the volunteers from a performer’s perspective. Nadeem Masood was one of the volunteers lucky enough to perform on the night. In this book, he takes the reader through the application process, the auditions, and every single rehearsal that led up to the final show. He describes first-hand the highs and the lows, the commitments and sacrifices, working with Danny Boyle and everything that the volunteers were put through. Interspersed with accounts of the preparations that were taken, Masood also touches on the Games Maker experience, giving readers an insight into the entire process that led to volunteers being granted the rare privilege of hosting the Olympic Games. Making Pandemonium will give readers a whole new perspective of the greatest Olympic Games that the world has ever seen. This book will identify with readers interested in sports, memoirs and Olympic history, as well as those who enjoyed watching the ceremony itself.

**The Greatest Album Covers of All Time**-Barry Miles 2016-10-01 With the resurgence of vinyl going from strength to strength, album cover art is as important as it's ever been. This sumptuous book brings together 250 of the greatest album covers of all time and is arranged chronologically, beginning in 1956. Our judging panel, drawn from the great and the good of the music industry, has selected the final 275 entries, giving their reasons for selection to accompany the illustrations. From rock n roll to pop, R&B to jazz, blues and even folk, some of the album covers included are obvious classics, while others will surprise readers and jog memories. The chosen entries might not necessarily be of a best-selling release, but they are important artistically, stylistically or culturally. This fascinating book forms a wonderful visual record of this popular art form, and is an essential read for music fans the world over.

**Book Design**-Andrew Haslam 2006 ‘Book Design’ takes the reader through every aspect of the subject, from the components that make up a book, to understanding how books are commissioned and created, to the intricacies of grid construction and choosing a typeface.

**The Education of Kim Jong-Un**-Jung H. Pak 2018-02-06 North Korea’s opaqueness combined with its military capabilities make the country and its leader dangerous wild cards in the international community. Brookings Senior Fellow Jung H. Pak, who led the U.S. intelligence community’s analysis on Korean issues, tells the story of North Korean leader Kim Jong-un’s upbringing, provides insight on his decision-making, and makes recommendations on how to thwart Kim’s ambitions. In her deep analysis of the personality of the North Korean leader, Pak makes clearer the reasoning behind the way he governs and conducts his foreign affairs.

**Best Practices for Graphic Designers, Color Works**-Eddie Opara 2013-11-01 This is the go-to guide for designers as it outlines and details the essential color design skills needed to create successful, meaningful, and aesthetically compelling designs. When Gerry succumbs to a terminal illness and dies, 30-year-old Holly is set adrift, unable to pick up the pieces. But with the help of a series of letters her husband left her before he died and a little nudging from an eccentric assortment of family and friends, she learns to laugh, overcome her fears, and discover a world she never knew existed.

**Traveling Sprinkler Deluxe**-Nicholson Baker 2013-09-17 This delightfully enhanced e-book edition includes Traveling Sprinkler: An Album, with twelve songs written, sung, and produced by Nicholson Baker. Paul Chowder, the poet protagonist of Baker’s widely acclaimed novel The Anthologist, is turning fifty-five and missing his ex-girlfriend, Roz, rather desperately. As he approaches the dreaded birthday, Paul is uninspired by his usual artistic outlet (although he’s pleased that his poetry anthology, Only Rhyme, is selling “steadily”). Putting aside poetry in favor of music, and drawing on his classical bassoon training, Paul turns instead to his new acoustic guitar with one goal in mind: to learn songwriting. As he struggles to come to terms with the horror of America’s drone wars and Roz’s recent relationship with a local NPR radio host, Paul fills his days with Quaker meetings, Planet Fitness workouts, and some experiments...
with tobacco. Written in Baker’s beautifully unconventional prose, and scored with musical influences from Debussy to Tracy Chapman to Paul himself, Traveling Sprinkler is an enchanting, hilarious—and very necessary—novel by one of the most beloved and influential writers today.

**The Paul Chowder Chronicles**-Nicholson Baker 2014-10-09 TOGETHER FOR THE FIRST TIME, BOTH OF NICHOLSON BAKER’S BRILLIANT NOVELS FEATURING BELOVED HERO AND POET PAUL CHOWDER A New York Times notable book and a national bestseller, Nicholson Baker’s The Anthologist introduces his quirkiest and most unforgettable protagonist yet, the “erudite, unpretentious, and often hilarious” (The New Yorker) Paul Chowder. Chowder really needs to write an introduction to his new anthology of verse, Only Rhyme—it’s the first work his editor has sent him in months—but he’s having a hard time getting started. Not only is his career floundering, but his girlfriend, Roz, just moved out. Perhaps unsurprisingly, Chowder can’t keep his mind from drifting to the sufferings of the great poets, from Tennyson and Yeats to Roethke, Merwin, to every poet who’s been published in The New Yorker. As he ponders the strange power and musicality of language, and adjusts to his newly single life, Chowder’s introduction slowly but surely begins to take shape. A wholly entertaining and beguiling love story, and the first novel in the chronicles of Paul Chowder—which is followed by Traveling Sprinkler in this same volume—The Anthologist is “a loving and superbly witty homage to poetry and to life” (The Boston Globe).

**Superstar DJs Here We Go!**-Dom Phillips 2009-03-05 “It was about larging it. It was about pulling out a wad of 20s when you were buying your champagne at the bar. It was about buying your cocaine in an eight ball. It was about wearing designer clothes. At that top tier of that club scene, it was about giving it loads.” With a foreword by music journalist, Miranda Sawyer, Superstar DJs Here We Go! is the full, unexpurgated story of the biggest pop culture phenomenon of the 1990s: the rise and fall of the superstar DJ. During the 1990s big names such as Sasha, Jeremy Healy, Fatboy Slim, Dave Seaman, Nicky Holloway, Judge Jules, and Pete Tong exploded out of acid house, becoming international jetsetters, flying all over the world just to play a few hours and commanding up to £140,000 a night. The plush, heavily branded ‘superclubs’ where they performed - clubs like Cream, Ministry, Renaissance and Gatecrasher - were filled with thousands of adoring clubbers, roaring their approval of their DJ gods. For the DJs and promoters, it was a licence to print money and live like a rock star. For clubbers, it was a hedonistic utopia where anyone and everyone could come together to look fabulous, take drugs, and dance the night away. But underneath the shiny surface lurked a darker side, a world of cynical moneymaking, rampant egos and cocaine-fuelled self-indulgence that eventually spiralled out of control leaving behind burnt-out DJs, jobless promoters and a host of bittersweet memories. They went from having the clubbing world at their feet to the world’s biggest comedown. Dom Phillips - former editor of clubbers’ bible Mixmag - reveals an enthralling and at times jaw-dropping account of flawed people, broken dreams and what really happens when it all goes Pete Tong.

**The Hilarious World of Depression**-John Moe 2020-05-05 A moving, portrait of depression, from the host of the podcast The Hilarious World of Depression “This book is an excellent life raft for those of us who are so sure that we are alone in our struggles. You should read it.” —Jenny Lawson “A funny, honest book about depression, and what you can do despite it.” —Neil Gaiman “Candid and funny and intimate.” —Susan Orlean For years John Moe, critically-acclaimed public radio personality and host of The Hilarious World of Depression podcast, struggled with depression; it plagued his family and claimed the life of his brother in 2007. As Moe came to terms with his own illness, he began to see similar patterns of behavior and coping mechanisms surfacing in conversations with others, including high-profile comedians who’d struggled with the disease. Moe saw that there was tremendous comfort and community in open dialogue about these shared experiences and that pattern of behavior and coping mechanisms surfacing in conversations with others. Inspired by the immediate success of the podcast, Moe has written a remarkable investigation of the disease, part memoir of his own journey, part treasure trove of laugh-out-loud stories and insights drawn from years of interviews with some of the most brilliant minds facing similar challenges. Throughout the course of this powerful narrative, depression’s universal themes come to light, among them, struggles with identity, lack of understanding of the symptoms, the challenges of work-life, self-medicating, the fallout of the disease in the lives of our loved ones, the tragedy of suicide, and the hereditary aspects of the disease. The Hilarious World of Depression illuminates depression in an entirely fresh and inspiring way.

**The Nineties**-John Robb 2010-10-31 IF YOU REMEMBER THE NINETIES...YOU WERE THERE! The Rock ‘N’ Roll Fifties. The Swinging Sixties. The trashy Seventies. The money-grabbing Eighties.
