An Introduction to Human Evolutionary Anatomy

An Introduction to Human Evolutionary Anatomy

Jeff Goldberg and Dean Latimer have provided a complete, insightful history of opium. Along the way, the authors provide details of the legal and political challenges that have been faced by those who have sought to use this powerful drug for medicinal purposes. The book includes a detailed timeline of the history of opium, as well as interviews with experts in the field. It also provides information on the current state of the debate over the use of opium in medicine.
