The Quran, a book which brings glad tidings to mankind along with divine admonition, stresses the importance of man’s discovery of truth on both spiritual and intellectual planes. Every book has its objective and the objective of the Quran is to make man aware of the Creation plan of God. That is, to tell man why God created this world; what the purpose is of settling man on earth; what is required from man in his pre-death life span, and what he is going to confront after death. The purpose of the Quran is to make man aware of this reality, thus serving to guide man on his entire journey through life into the after-life. The main themes of the Quran are enlightenment, closeness to God, peace and spirituality. The Quran uses several terms, tawassum, tadabbur, and tafakkur, which indicate the learning of lessons through reflection, thinking and contemplation on the signs of God scattered across the world. The present translation of the Quran and its explanatory notes are written keeping in mind these very themes. Koran, Qur'an, Coran, Kuran, Islam, Prophet Muhammad

Muslims, revealed in stages to the Prophet Muhammad over 23 years. **The Quran**- Allah (god) 2020-12-18 In the Qur'an, a pious Muslim hears God's voice guiding and encouraging, consoling and reproaching, promising the righteous mercy and eternal bliss, while threatening the wicked with wrath and eternal torment. For Muslims, the Qur'an is the word of God, which has entered human time to shape history. According to Muslim sources, the Angel Gabriel revealed himself to Prophet Muhammad in 610 CE while he was in prayerful retreat in a cave on Mount Hira, outside Mecca. It is said that in this initial meeting, the Angel Gabriel pressed Muhammad so vehemently that he felt he was being choked. The Qur'an states that the angel then commanded: Recite in the name of your Lord who created, created man from a blood clot. Recite, for your Lord is most magnanimous - who taught by the pen; taught man that which he did not know. (Qur'an 96:1-5) Muslims claim that God warned Prophet Muhammad: We shall surely lay upon you weighty speech,
and enjoined him to rise up through most of the night in prayer, and remember fervently what he was told to be, "the Lord of the east and the west" (Qur'an 73:5 and 73:8). For Muslims this "weighty speech" marked Prophet Muhammad as the last Messenger of God to humankind; this event was to have a great impact on the course of human history. The Qur'an is said to have been communicated to Prophet Muhammad in two ways. Muslims believe that it was communicated through the Angel Gabriel. These communications were revealed in small portions: single verses, groups of verses, and entire chapters or suras over a period of twenty to twenty-two years. The Qur'an for Muslims is not only words that can be uttered, heard, and recorded; it is also the heavenly archetype of which the recited and written Qur'an is only an earthly copy. The Qur'an in its heavenly archetypal form is for Muslims the source of divine revelation throughout human history and is eternally preserved by God. It is the covenant of God with humankind which He established with the children of Adam when they were but ideas or essences in the divine realm. Prophet Muhammad also professed to have experienced this heavenly Qur'an, in addition to having been the recipient of revelation. He would experience a profound spiritual state, shivering on a hot summer day or sweating on a cold winter day, hearing sounds like the ringing of a bell. These sounds transformed themselves in his consciousness into human words, which he memorised and had recorded. Muslims also believe that the Qur'an was also sent down in part, to Prophet Muhammad's heart on the "night of determination" (Qur'an 44:3 and 97:1), a blessed night for all Muslims. This event sanctified his life and made Prophet Muhammad
an example for Muslims to follow. In the Qur'an, God asked: Am I not your Lord? and those who chose to worship God affirmed as Lord responded with the words: Yes, we bear witness... (Qur'an 7: 172). The Qur'an is the seal and testimony to this covenant. Its message is, for Muslims, a powerful affirmation of divine lordship and Muslim commitment. The Qur'an as an earthly text has been inextricably bound to Muslim history. It served as an answer to the problems of the Arab society in Prophet Muhammad's time. The Qur'an was also a response to Prophet Muhammad's questions about the meaning of human life and the mystery of creation, and was closely linked to the history of the nascent Muslim community in Mecca and, later, in Medina. Many of the Qur'anic verses are said to have been revealed in answer to specific questions or life situations. The answers given are seen by Muslims to be general principles, moral imperatives, or precepts applicable to all times and places. The family of the Prophet, which the Qur'an directly addressed (see Qur'an 33:32), is seen by Muslims to be a model for all families and all societies in the world.

Book Of Allah ( AL QURAN AL KARIM Or The Holy Quran ) ENGLISH
TRANSLATION نسخة انجليزية-Muhammad Messenger of God 2020-11-20 Book Of Allah ( AL QURAN AL KARIM or The Holy Quran ) The Quran ( Arabic قرآن, al-Qurʾān, "the recitation") is the sacred text of Islam. For Muslims, it takes verbatim the word of God (Allah). This book is to this day the first and oldest authentic literary document known in Arabic; Muslim tradition presents it as the first work in Arabic, with the specific character of inimitability in beauty and in ideas. For Muslims, the Koran groups together the words of God, revelations (āyāt) made to the last prophet and messenger of God Muhammad (Muḥammad, "the praised") from 610-612 until his death in 632 by l' archangel Gabriel (جبريل, jibril). The Koran is sometimes called simply al-kitāb ("the Book"), adh-dhikr ("the Reminder") or al-furqān ("the Discernment"). In this sense, it is, for Muslims, the expression of an uncreated attribute of God addressed to the intention of all humanity.

The Koran in English-Bruce B. Lawrence 2020-10-06 The untold story of how the Arabic Qur'an became the English Koran. For millions of Muslims, the Qur'an is sacred only in Arabic, the original Arabic in which it was revealed to the Prophet Muhammad in the seventh century. To many Arab and non-Arab believers alike, the book literally defies translation, yet English translations are growing in both number and importance. Bruce Lawrence tells the remarkable story of the centuries-long quest to translate the Qur'an's lyrical verses—and to make English itself an Islamic language. A translation saga like no other, this panoramic book looks at cyber Korans, versions by feminist translators, and even a graphic Qur'an by the acclaimed visual artist Sandow Birk.

The Holy Quran is the Holy Book or the Scripture of the Muslims. It lays down for them the law and commandments, codes for their social and moral behaviour, and contains a comprehensive religious philosophy. The language of the Quran is Arabic. The Sacred Path to Islam: A Guide to Seeking Allah (God) & Building a Relationship-The Sincere Seeker Collection 2019-06-14 Do you yearn to build a closer and more meaningful relationship with your Creator? Do you seek to know the true Message and Wisdom of Islam? The work I present here for your consumption is more than a book; a collection of words meant to deliver glad tidings, to educate, and to perhaps warn. It is a work driven by what I intend to be a sound and powerful Message. This message invites readers to think freely and broaden their minds; to contemplate and seek their own truth. This passage advises people, never to blindly follow any religion without first reflecting
upon the faith in question and reasoning its true meaning. Beyond all manner of faith and feeling, one must use their intellect to discover the truth behind all faiths. This passage is intended to draw and empower the sincere seeker of truth; the one that questions, reflects and ponders his or her life's purpose and questions his/her future and direction. Islam, for example, is one faith that is misunderstood and misrepresented by many. Before one forms an opinion of Islam, one should question the thoroughness and truthfulness of his or her existing knowledge of this controversial religion. The ultimate purpose of this message is to facilitate a fresh new dimension of thinking that will enable one to realize the ultimate importance of his or her existence in this universe; to help one understand his/her divine relationship with his/her creator. The faith of Islam is beneficial only to people that are sincere in seeking guidance, misguiding those who are not sincere and honest in their spiritual quests; who reject divine guidance and spiritual truth.

**Education for Children with Disabilities in Addis Ababa, Ethiopia**-Margarita Schiemer 2017-08-02 This book is open access under a CC BY 4.0 license. This book presents insights
into the lived realities of children with disabilities in primary schools in Addis Ababa, Ethiopia. It examines specific cultural and societal characteristics of Ethiopia that influence the education of children with disabilities. The book presents findings drawn from interviews with, and participant observation of the schoolchildren, family members, teachers and other “experts”, and places these findings in a cultural-historical context. The multidimensional approach taken allows for, on the one hand, the provision of a historical grounding of the book, explaining the main historical junctures and their implications for education, and the discussion of the role of culture and society as barriers and facilitators of education. On the other hand, it gives the book a more personal angle, allowing the reader to gain insight into what it means to feel like a family, develop a sense of belonging, and trying to move toward educational equity.

Heretic-Ayaan Hirsi Ali 2015-03-24 Continuing her journey from a deeply religious Islamic upbringing to a post at Harvard, the brilliant, charismatic and controversial New York Times and Globe and Mail #1 bestselling author of Infidel and Nomad makes a powerful plea for a Muslim Reformation as the only way to end the horrors of terrorism, sectarian warfare and the repression of women and minorities. Today, she argues, the world’s 1.6 billion Muslims can be divided into a minority of extremists, a majority of observant but peaceable Muslims and a few dissidents who risk their lives by questioning their own religion. But there is only one Islam and, as Hirsi Ali shows, there is no denying that some of its key teachings—not least the duty to wage holy war—are incompatible with the values of a free society. For centuries it has seemed as if Islam is immune to change. But Hirsi Ali has come to believe that a Muslim Reformation—a revision of Islamic doctrine aimed at reconciling the religion with modernity—is now at hand, and may even have begun. The Arab Spring may now seem like a political failure. But its challenge to traditional authority revealed a new readiness—not least by Muslim women—to think freely and to speak out. Courageously challenging the jihadists, she identifies five key amendments to Islamic doctrine that Muslims have to make to bring their religion out of the seventh century and into the twenty-first. And she calls on the Western world to end its appeasement of the Islamists. “Islam is not a religion of peace,” she writes. It is the Muslim reformers who need our backing, not the opponents of free speech. Interweaving her own experiences, historical analogies and powerful examples from contemporary Muslim societies and cultures, Heretic is not a call to
arms, but a passionate plea for peaceful change and a new era of global toleration. In the wake of the Charlie Hebdo murders, with jihadists killing thousands from Nigeria to Syria to Pakistan, this book offers an answer to what is fast becoming the world’s number one problem.
